Docket No. 404.—In re Wm. J. Murphy, trading and doing business as Murphy Bros., market agency and dealer, Chicago, Ill. On October 28, 1932, the Acting Secretary of Agriculture issued an inquiry, alleging that respondent had violated Title III of the packers and stockyards act, in that he had failed, neglected, and refused to execute and maintain a reasonable bond to suitable trustees to secure the performance of his obligations incurred as a market agency and dealer. Under date of November 3, 1932, respondent acknowledged service of the order of inquiry, admitted the truth of the matters and things therein alleged, and waived a hearing thereon. Respondent filed a statement on November 11, 1932, showing that he is cleared by Frank Keys (Inc.), in lieu of a surety bond to take care of his obligations. On November 26, 1932, respondent was ordered to cease and desist from doing business as a market agency and dealer without executing and maintaining a reasonable bond to suitable trustees to secure the performance of his obligations, or without submitting some other form of indemnity which will afford substantially equivalent protection.
